Carolyn;
Well, of you to let
it looks like she got a
lot of room, doesn't it? Well,
I'll make the best of it. I
hope you don't mind if I call
you curly. Tell me if you do.
Well, school is almost out.
I'll miss you. I'm
too bad! I'll miss you. I'm
other girl with you than any
of everything. Well, you'd better promise me
you will stay as wonderful
as you are now. You'd
keep smiling (dimples) and
laughing the way
you do. (Cont.)

Remember the talks the troubles the headaches and so on that we have had. (Remember) Yes I know you do. (Best of Luck also with Frank for he sure is a good guy. Best Wishes and Best of everything Carolyn and have fun to because you are one of the many girls that deserve it. Stay the way you are and also I know you will have success in life. Well Be Good

P.S.

The Long Talks and The Troubles but Thanks for what you have helped me out with. I mean it

Carolyn
Best of luck to a good kid while being out West. I'll be thinking of you always. I won't take up too much space. Good-bye
Dated 6/7

Carolyn,

Well I don't know what to say but I'll try
anyway. I could say best of luck and all that
noise, but I won't. I told you everything I'd write
would be the truth. First of all I've never had
so much fun with anyone ^{else} has ^{so} I have ^{and} had with
you the past 7 months and hope we continue for
the next 70 years. Just in case we don't make it
for the next 70 years, don't forget all the fun
we have had together such as dances, shows, riding
and parking, ^(also fights) I know I will never forget ^{them} and
hope you never will ^{forget them} either. It seems all
we have to look forward too is our senior
trip, Graduation day and nite, and this coming
summer, and then College, down it. I wish we
could come back to school next year just to
be together, but I hope College ^{won't} ~~enter~~ enter fear
with our ~~going~~ going together. I'll only have to wait
if long years before it is permanent, (remember), I
hope you can wait, because I know I can.
Well I am slowly running out of things to
say, but if I remember any after you get
your book back, I'll save this space below and
write it there.

Love,
Frank
"61"

P.S. Remember
9/50
Brewin
take.

Carolyn,

This is going to be pretty hard. But I'll be like Frank and write the truth.

Graduation is just a few days from now and kid. I want you to know that while I cry - it'll be mostly for you. I don't think I could ever miss anyone like you. You certainly are a wonderful girl. I know how these kids write in here and make it all sweet + charming - but mine is all true. (Even though it is being written with tears.)

"THE PANTHER"

for 1961 Takes
Its Place on the Shelf

We certainly have had our good times and our bad ones. But like others have said - mostly good.

Remember when you and Frank decided to break up cause of one main reason. Well - like the others - that has faded away too. (and I'm sorry to say it was in such a bad way.) But now I have a few reasons.

First - I think you two are the greatest kids to double with. Even tho. one of us was always mad. (Have you found any money lately? 41¢?)

And I must admit - I certainly did get my exercise that other night. ("Hello Wall")

Yes! Well - Beauchamp is complaining cause I'm using a whole page - so best I do stop.

Taking pictures, writing copy, selling ads, designing, and editing by the staff went into the making of the '61 *Panther*. Success did not come easy. Many nights the staff and their advisor could be found laboring over material, wording, and organization. The Panther Den was a popular hang-out for the staff during the day when yearbook material was scattered in all directions.

Holding the reins of the entire crew were Raymond Knott, editor-in-chief; Dana Dieterle, Managing Editor; and David Spencer, Business Manager. Mrs. Best was advisor to the entire staff.

It is sincerely hoped that as you go through the '61 *Panther*, you'll pleasantly recall the memories of this year.

MRS. LUCILE BEST

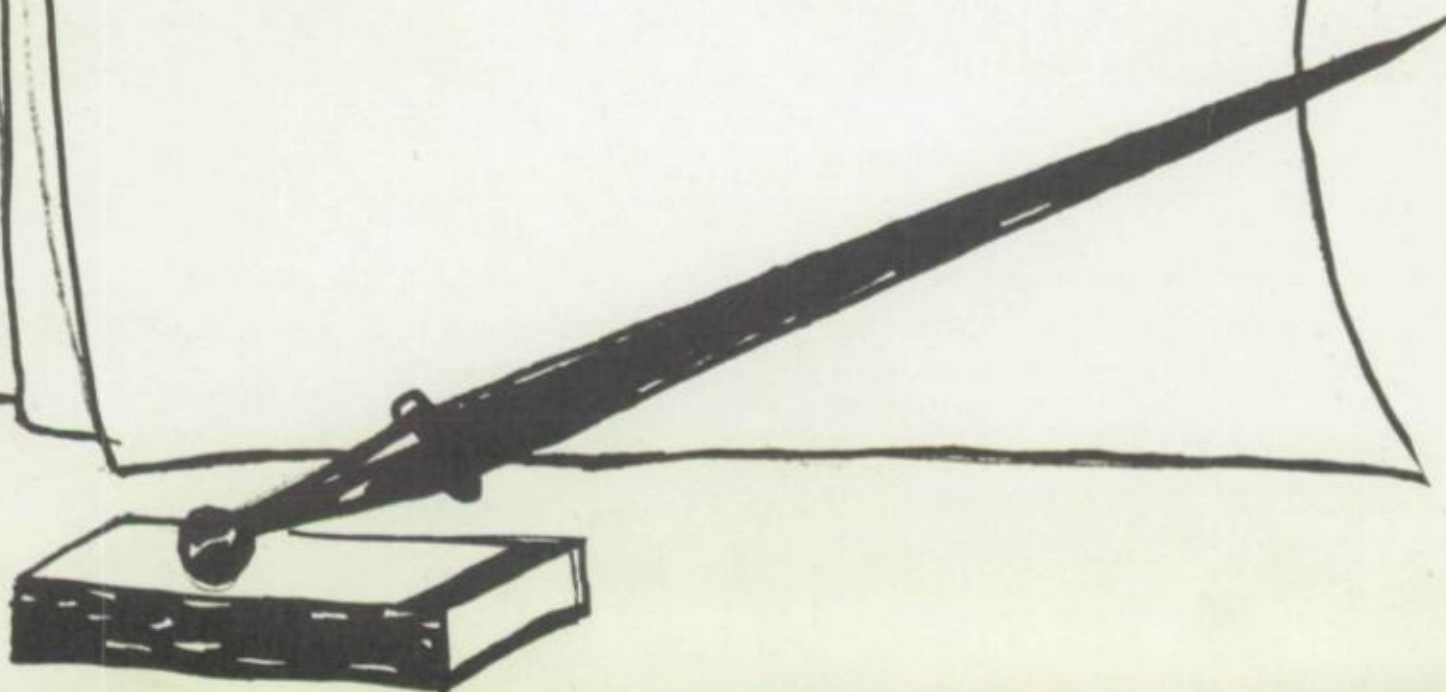

With heartfelt thanks and warm best wishes, we, the staff of THE 1961 PANTHER dedicate this annual to Mrs. Lucile Best. Without her patient but firm guiding hand, THE PANTHER would never have emerged as the record of this year.

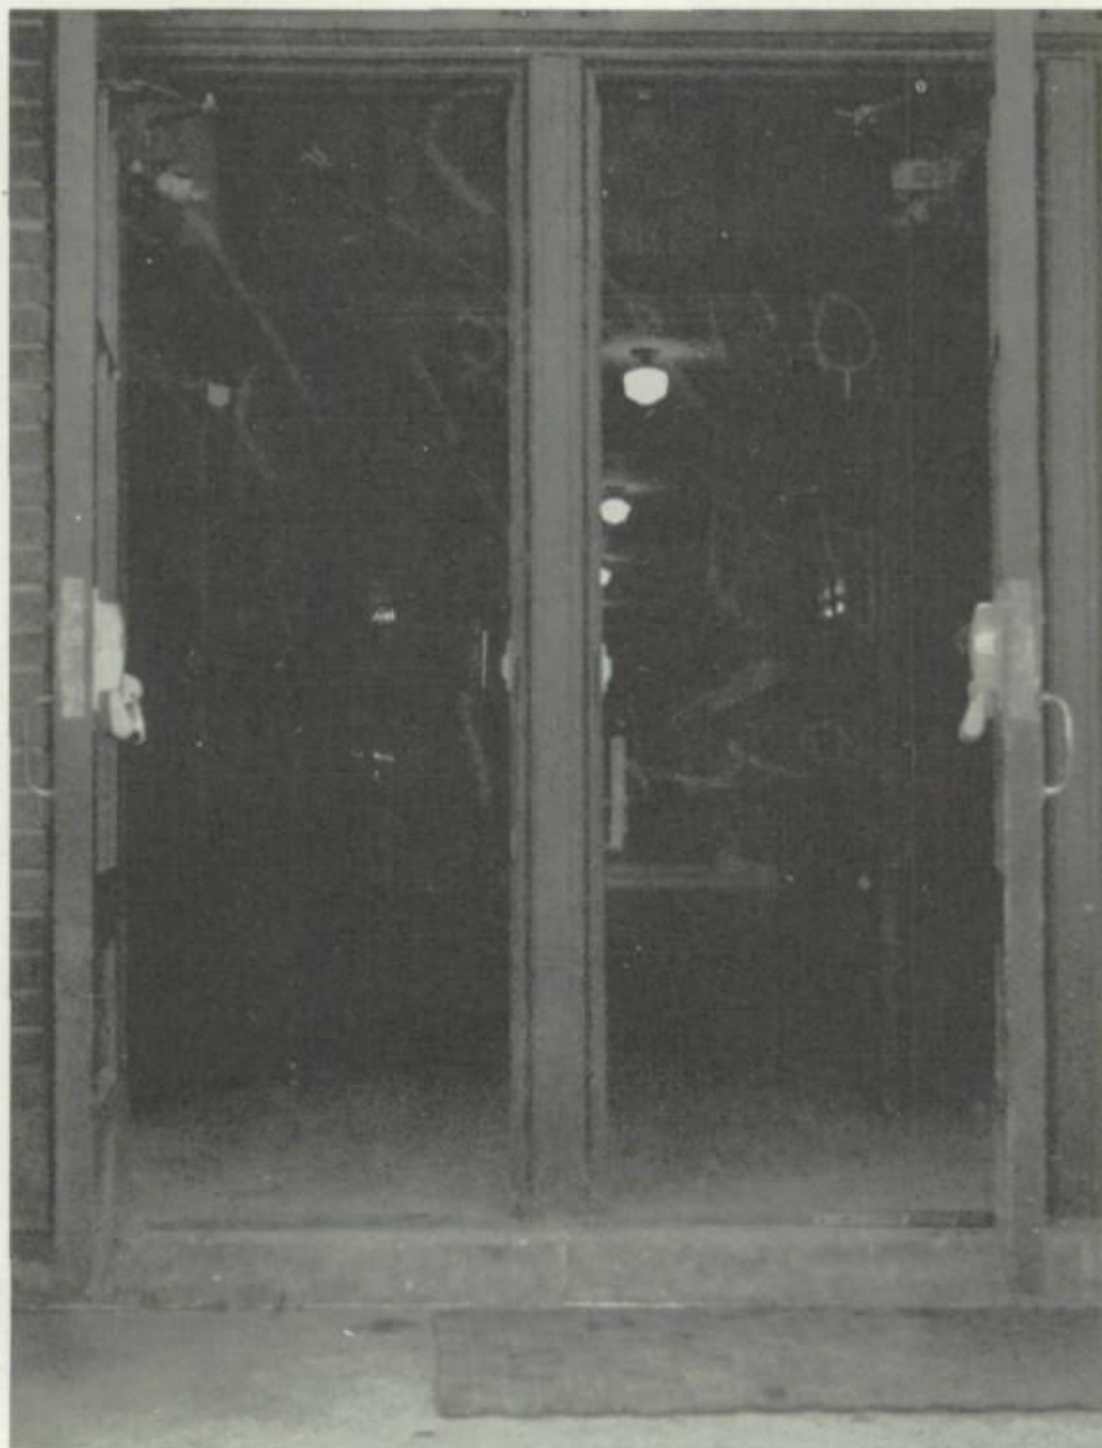

Now as the reader turns the pages of this yearbook, may he share the efforts and achievements of Mrs. Best and join in our offering this simple expression of our gratitude.

SUPERINTENDENT OF SCHOOLS

To the Class of 1961

You have come to the end of your first twelve years of schooling and have completed what you had set out to do. To all the members of the graduating class I extend my very good wishes for your future.

You will find that happiness and success do not come to you by satisfying your material needs alone. You must leave room for the pleasant word, the helping hand, the doing of good in your family and community relations, and to that Higher Being. I hope each of you will be proud of your accomplishments.

Sincerely

Jesse Batchelor

HIGH SCHOOL PRINCIPAL

To the Senior Class

May I extend my congratulations to the graduating class of 1961. My fervent hope is that during your years at Stockbridge High School we have helped you to be earnest and thoughtful in arriving at decisions, firm and fair in your convictions, and considerate of your fellowmen.

May you practice what you have learned and never stop in your climb toward success and happiness.

Sincerely

SCIENCE CLUB

The Stockbridge Science Club project for the year was the development of a nature area. A five acre wooded area was loaned to the Science Club by Niel Mills. It was named the Arboretum, which means "tree garden." Plans which will take time to complete include cutting nature trails, identifying trees and shrubs, and constructing a parking lot. The Arboretum has been used by the biology class, elementary grades and other nature lovers.

The club sponsored a science open house. Displays were made of science equipment and students projects. The science club students that contributed work to the project and the Arboretum are planning a trip to Chicago Museum of Natural History.

Other club activities included a speaker on hypnotism, a trip to the University of Michigan Museum, and movies.

PARENT-TEACHERS ASSOCIATION

Junior-Senior High

One of the most valuable things parents gain through a high school P.T.A. is the acquiring of additional knowledge by knowing the school system, the teachers, parents from other areas, the youth with whom they are working, and the community. By working with your youth and teachers through the high school P.T.A., we are building together a new enthusiasm that is needed for our program and a new loyalty for education in our schools.

As special programs this year, the P.T.A. has sponsored an open house to better acquaint the parents with the student's and teacher's facilities. This was a highly successful program commended by both parents and faculty. Also, the P.T.A. sponsored a Junior boy to Boys' State.

Calling all Frachmen!

I sure hope it goes in, boys.

We have to drive this thing?

Here we go again. Another day.

"Get that bug!!!"

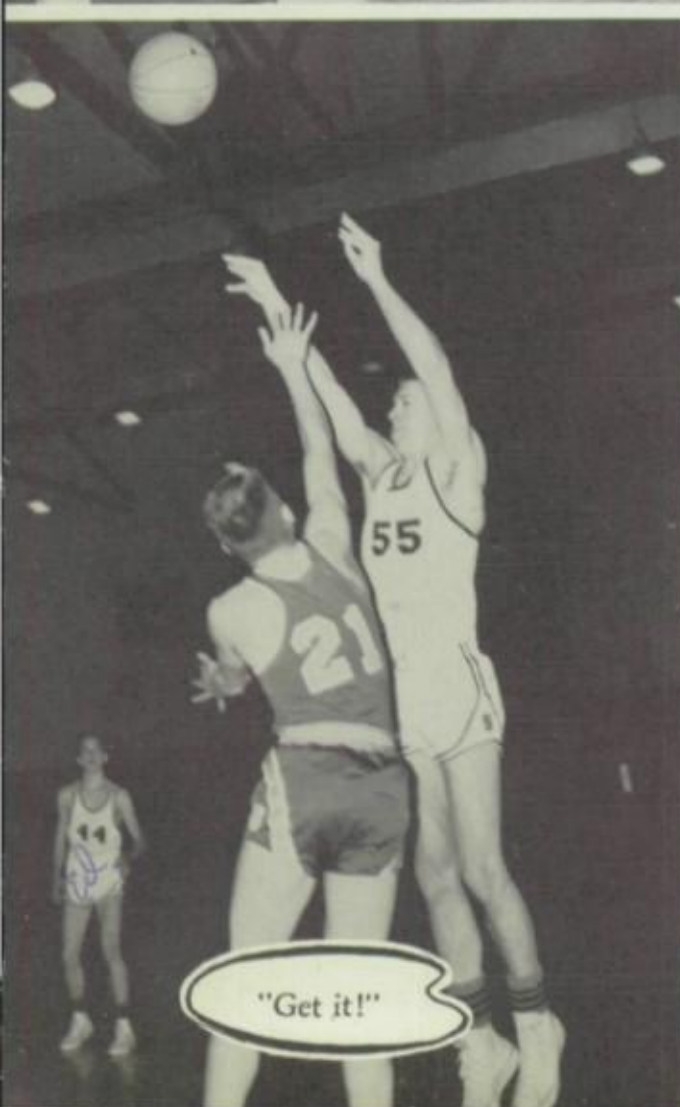

"Sink it!"

"Sink it again!"

"The mob."

"Get it!"

"Lets cheer!"

"Dig those crazy legs!"

Gary Gee tells Jim Ashmore "it's all right here in the record."

"Hey! Buddy! It's time to go."

"She sleeps well but is no better"

"Josefa, where is Cresencio?"

Sandra Spencer, David Lindemer, Jack Mitteer, Betty Beauchamp enact "Sham."

The Speech Department presented three one-act Lab plays: **LEGEND OF THE LAKE**, by Chase Howard Webb, **SHAM**, by Frank G. Tompkins, directed by William Valentine; and **BALCONY SCENE**, by Donald Elser, directed by David J. Spencer.

Well here you are, out of school, think your big don't you? You are! Boy am I going to miss you next year. Not that I saw much of you but just to know you were there was a big help. Just don't ever forget all the fun we have had ever since we were just "little kids". All the times you used to sit for me & the fun we had. Then the time up-north when I saved your life & our secret conferences. Last summer when you stayed for a while & we walked down to the lake. And then just all the fun & good times we have had together. **Known Wherever There Are Schools and Colleges** to say that it would really take a large book to fit it all into. But all I can do is behind us now. But if you think that just because you are out of school & in Jackson that you are going to lose track of me you are very wrong. Boy no matter where you go or with who I will never forget where you are or how to write your name & address. You really are my favorite **Commencement Invitations—Diplomas—Personal Cards** **Club Insignias—Medals and Trophies** then if you were my very sister. You are the sweetest and cutest girl ever to graduate from Stockbridge High School & by far the one who I admire the most or ever will. I don't have as much to talk about or say in here as Joanne & Lois & all the other kids do but what I have to say means the world & all to me. Now to get down to a certain little thing named Frank Spadafore. Curly, you and he are, in my opinion, the nicest, sweetest, cutest & just plain Best couple that ever came out of that school & I am sure that everything that you two wish & dream for is going to come true, cause boy you both deserve that Best of all. Well the paper on this page is getting shorter & the pen is running dry so must quit. But one last thing Curly, Please never, never, never, forget me or our fun. It means alot to me to always know there is someone around who you can tell your problems too & who understands me. So never let us & our friendship end. Best of Luck in everything! Must go Be Good & Take Care!

Love,
Janet

School Song

Once again, here our schoolmates assemble
 We fain would lift our hearts in song
 To our high school, our dear Alma Mater
 Let gladness the moments prolong.
 We are proud of our lads and our lassies
 Of honors won in days gone by
 So here's a cheer for our old high school
 For our old high school, our Stockbridge High.
 Here's to our classes, here's to our lasses
 Here's to the lads they adore
 Seniors so mighty, Juniors so fighty
 Freshies and Sophomores.
 Let mirth and gladness vanish all sadness
 And as the days go by
 You'll find us ready, ready and steady
 Boosting for Stockbridge High.

FAREWELL

As we pass slowly out of these doors that have seen so many come and go, all too quickly we hear the doors of the years past, quietly shutting behind us; and we go forth eagerly to open the doors to the future and whatever it may bring.

For when one door is shut—another opens.

Hi George!

Well you soon
be leaving the fine old
school and probably be getting
married. I remember many fine
times we used to have not so
long ago and I hope our friendship never
parts. Best of luck in whatever you do and
try to remember poor old Tim slaving away next year
in this fine institution.
Be Good, now hear

Best of Wishes to a real
sweet, nice, cute, etc. girl. I
hope your future turns out just

nuts. I hope our friendship
never falls apart. Let's always
keep in touch with each
other. Good luck with next

Cardyn,

Boy kid, I can't express how grateful I am for all ^{the} wonderful advice you've give me in the last hundred years. It seems that long anyway and I've got to admit that I've enjoyed every minute of it. Here are a few things I don't want you to ever forget.

1. Going to Jackson everyday last summer.
2. Your handsome cousin Steve - what a hunk.
3. Going to the lake - Silver; what sunburns!
4. Your party - I won't mention any names but I'm sure you can remember.
5. All the times we've stayed together.
6. Upon hours at "Greasy's" - I'll pay you back sometime.
7. Do you think the talks I've given you about "Romeo" and "Don Juan" have done any good?

There are millions of other things I'd love to mention but best I don't. Not that they're bad but they're just personal. We've really got to make the most of our trip and this summer because it will probably be the last we'll get to see so much of each other. Keep a "Cool foot" and don't ever stop smiling - or giggling. It would change your whole appearance and personality.

Love ya,
James

"Carolyn"

To a real sweet and cute girl, I wish all the luck in the world. Always stay as sweet and as friendly as you are now. Remember all the fun we've had together, through out our high school years, especially the week ends. How about Newport, the Lake, and all those wild parties? Those we're the good old days!

Any kid watch out for all those boys, especibilly that Frank Apadafore.

We'll have to get together on the trip, I know we would have fun. The trip, graduation night, and all the parties following. I know the "fun" isn't over yet, so be good and have fun. Good Luck.

Pat "61"

Best of Luck to a real cute girl who has been loads of fun to be with and around. Many things have happened during the past years at SHS to fill an entire book (most of it having to do with YOU). I'll never forget some of those wild times involving you & everyone else. Be always, as you are now.

Dennis Darling

Carolyn,

Well here goes, I hope we have a blast on our trip. I bet you will have a lot of good stories to tell Joe about us sleeping together. Be good and don't let those guys get the best of you. There is no sweeter girl in our class. I know all the guys have more respect for you than anyone in our class. Thanks for being such a good friend. You're a real pal. May old acquaintance be remembered and may your cup of kindness fill. Remember you are going to come to Joe's & mine house to see the table we done over. It's really been nice being your friend. Have a happy future kids.

Lots & Lots & Lots & Lots of Luck
to a real Ball! Don't Forget all
the fun we've had these past
years. Remember that time
all of us kids went to Newport.
We really had a ball! We have
to get together this summer many
many more times. Oh yes and
that time in the ball diamond
and the church yard. (Ha Ha!)
And I'll never forget that time
you shed and I went to Jackson
and I almost fell out of the
car. and drove by the Family creek
I almost got grooved. We've
really had some good times. and
we've got a lot ahead of us
yet. Senior trip (what a wild time!)
and all the graduation parties
afterwards.

Here's hoping that you get
everything you desire. You deserve
all the happiness in the World.
Let's never lose touch after
graduation. You've really got
a Darling personality that conquers
all. (Stay away from that Sun Lamp)
Best of Luck Always Love
